List of Preparers and EIS Project Team

Name/Affiliation	Project Role	Education	Years of Relevant Experience
Carrie Martin, Washington State Department of Enterprise Services	Environmental Planner, Project Manager	BA, Business Administration and Economics	10
Annette Meyer, Washington State Department of Enterprise Services	Deputy Director, Senior Executive Review	BS, Business Administration BA, Foreign Language	15
Ann Larson, Washington State Department of Enterprise Services	Director of Governmental Relations, Senior Executive Review	BS, Biology BA, Anthropology	12
Amanda McKay, Floyd Snider	Co-Author, EIS Summary	MS, Environmental Toxicology and Chemistry BS, Biochemistry	15
Amanda Sweet, Floyd Snider	Graphic Artist	MFA, Painting & Drawing BFA, Painting	8
Erin Murray, Floyd Snider	Co-Author, EIS Summary	BA, Environmental Geography and Natural Resource Management	18
Jessi Massingale, PE, Floyd Snider	Agency Coordination Lead; Senior Technical Review	MS, Civil and Environmental Engineering BS, Oceanography, and BS, Zoology	17
Kate Snider, PE, Floyd Snider	Senior Technical Review	MLA, Landscape Architecture BS, Civil Engineering	36
Kenneth Moore, Floyd Snider	Editor	BA, Classics and Biology	14
Kim Rodgers, Floyd Snider	GIS Analyst	MS, Geography Certificate in GIS BS, Geology/Sociology	7
Kristen Legg, Floyd Snider	DEIS Editorial Lead	Certificate in Editing BFA, Dance	13

Name/Affiliation	Project Role	Education	Years of Relevant Experience
Ray Outlaw, Floyd Snider	Deputy Project Manager and Stakeholder Engagement Lead	BS, Environmental Science	16
Tessa Gardner-Brown, AICP, Floyd Snider	Project Manager; Co-Lead Author, EIS	BA, Environmental Policy and Planning	11
Amanda Brophy, Environmental Science Associates	Co-Author, Wetlands Discipline Report	BS, Field Biology, Ecology, and Organismal Biology Certificate in Wetland Science & Management	6
Chanda Schneider, Environmental Science Associates	Co-Author, Cultural Resources Discipline Report	BA, Anthropology	16
Christopher (Chris) Lockwood, Environmental Science Associates	Co-Lead Author, Cultural Resources Discipline Report	PhD, Anthropology Archaeology MA, Anthropology Archaeology	21
Claire Hoffman, Environmental Science Associates	Lead Author, Wetlands Discipline Report; Co-Author Land Use, Shoreline, and Recreation Discipline Report	Masters, Environmental Science and Evolutionary Ecology Certificate, Wetland Science & Management BSc, Biology and Environmental Studies	16
Hannah Snow, PE Environmental Science Associates	Co-Author, EIS; Senior Technical Review (Hydrodynamics and Sediment Transport)	Masters, Civil & Environmental Engineering – Environmental Fluid Mechanics BS, Civil & Environmental Engineering	5
Ilon Logan, Environmental Science Associates	Co-Author, Wetlands Discipline Report	Masters of Marine & Environmental Affairs Certificate of Wetland Science & Management BA, English	20
Jim Good, Environmental Science Associates	Co-Author, EIS; Senior Technical Review (Water Quality)	Masters, Aquatic Ecology BS, Forest Management	35

Name/Affiliation	Project Role	Education	Years of Relevant Experience
Karmen Martin, Environmental Science Associates	EIS Lead; Co-Lead Author, EIS; Lead Author Public Services and Utilities Discipline Report	Masters of Infrastructure Planning & Management BS, Environmental Policy & Assessment	21
Katherine Wilson	Co-Author, Cultural Resources Discipline Report	Masters, Museology BA, Art History	5
Madeline Remmen, Environmental Science Associates	Co-Author, Land Use, Shoreline, and Recreation Discipline Report; Public Services and Utilities Discipline Report	BA, Environmental Studies	3
Margaret Clancy, Environmental Science Associates	Co-Author, Wetlands Discipline Report	BS, Forestry Certificate of Wetland Science & Management	28
Mark Johnson, Environmental Science Associates	Lead Author, Land Use, Shoreline, and Recreation Discipline Report; Visual Quality Discipline Report	BLA, Landscape Architecture	30
Molly Adolfson, Environmental Science Associates	Co-Author, EIS; Senior Technical Review	BS, Environmental Science	30
Pete Lawson, Environmental Science Associates	Lead Author, Fish and Wildlife Discipline Report	Masters, Environmental Science BS, Biology	20
Peter Carr, Environmental Science Associates	Co-Author, EIS; Editor	BSJ, Journalism Certificate, Wetland Science & Management	22
Tim Sturtz, Environmental Science Associates	Lead Author, Air Quality and Odor Discipline Report	PhD, Civil & Environmental Engineering MS, Civil Engineering & Environmental Engineering BS, Civil & Environmental Engineering	15

Name/Affiliation	Project Role	Education	Years of Relevant Experience
Chi Lu, PE, Moffatt & Nichol	Coastal Modeler and Co-Author, Hydrodynamic and Sediment Transport Numerical Modeling Discipline Report;	MS, Ocean Engineering MS, Oceanography (Hydrodynamics) BS, Oceanography	5
Jeff Oskamp, PE; Moffatt & Nichol	Co-Author, Navigation Discipline Report	MOCE Master of Ocean Engineering MLE, Master of Linguistics and Exegesis Graduate Studies, Linguistics	8
Jeff Shelden, PE; Moffatt & Nichol	Senior Technical Review/QA-QC, Hydrodynamic and Sediment Transport Numerical Modeling Discipline Report	MS, North Carolina State University BSCE, University of Virginia	36
Kyle Landon, PE; Moffat & Nichol	Design and GIS Support	MOCE, Coastal and Ocean Engineering BS, Civil and Environmental Engineering	10
Margaret Schwertner, Moffatt & Nichol	Lead-Author, Navigation Discipline Report	MASc, Aquatic and Fishery Sciences BS, Agriculture	19
Oleg Mouraenko, PhD; Moffatt & Nichol	Numerical Modeling Technical Advisor, Hydrodynamic and Sediment Transport Numerical Modeling Discipline Report;	PhD, Coastal and Oceanographic Engineering MS, Coastal and Oceanographic Engineering Professional, Diploma of Specialist (MS Equivalent), Applied Mathematics with Honors	23
Steven Gray, PE; Moffatt & Nichol	Design Lead; Co-Author, Navigation Discipline Report	BSCE, Civil Engineering	25
Veronica Chocholek	Editor, Hydrodynamic and Numerical Modeling Discipline Report and Navigation Discipline Report	BA, Organizational Leadership	27

Name/Affiliation	Project Role	Education	Years of Relevant Experience
Younes Nouri, PhD, PE, P.Eng; Moffatt & Nichol	Lead Author and Technical Lead, Hydrodynamic and Sediment Transport Numerical Modeling Discipline Report; Co-Author Navigation Discipline Report	PhD, Philosophy, Coastal Engineering	14
Gina Catarra, Herrera Environmental Consultants	Co-Author, Sediment Quality Discipline Report	BS, Marine Science Wetland Science & Management Certification	22
Brianna Blaud, Herrera Environmental Consultants	Co-Author, Aquatic Invasive Species Discipline Report	MS, Fisheries BS, Fisheries	13
Drew Stang, Herrera Environmental Consultants	Co-Author, Water Quality Discipline Report, Freshwater Pool Analysis	MS, Civil and Environmental Engineering BS, General/Mechanical Engineering	3
Eliza Spears, Herrera Environmental Consultants	Co-Author, Aquatic Invasive Species Discipline Report	BS, Environmental Science and Ecology Wetland Science & Management Certification	7
Jeff Parsons, Herrera Environmental Consultants	Geomorphology Analysis	PhD, Civil and Environmental Engineering MS, Civil and Environmental Engineering BS, Civil and Environmental Engineering	20
Joy Michaud, Herrera Environmental Consultants	Lead Author, Water Quality Discipline Report	MS, Environmental Science and Engineering BS, Water and Fisheries Resources	35+
Rob Zisette, Herrera Environmental Consultants	Lead Author, Sediment Quality Discipline Report, Aquatic Invasive Species Discipline Report, Freshwater Pool Analysis ; Co-author, Water Quality Discipline Report	MS, Water Resource Management BS, Environmental Biology	35+

Name/Affiliation	Project Role	Education	Years of Relevant Experience
Dr. Adam Domanski, ECONorthwest	Co-Author, Economics Discipline Report	PhD, Economics ME, Economics BA, Economics	13
James Kim, ECONorthwest	Co-Author, Economics Discipline Report	Master of Public and International Affairs BSBA, Finance	2
Joel Ainsworth, ECONorthwest	Co-Author, Economics Discipline Report	MS, Applied Economics BA, Economics	10
Justine Ealy, ECONorthwest (formerly)	Co-Author, Economics Discipline Report	Master’s coursework, Real Estate Development BS, Urban and Regional Planning	6
Laura Marshall, ECONorthwest	Co-Author, Economics Discipline Report	MS, Applied Economics, Water Resource Policy & Management	5
Lauren Butler, ECONorthwest	Co-Author, Economics Discipline Report	BA, Economics with Quantitative Emphasis	4
Lorelei Juntunen, ECONorthwest	Funding and Governance Facilitation; Co-Author, Economics Discipline Report	MA, Community Planning and Regional Planning MA, Public Administration BA, English and Global Studies	17
Salma Huque, ECONorthwest	Co-Author, Economics Discipline Report	BS, Economics	1
Sarah Reich, ECONorthwest	Funding and Governance Facilitation; Lead Author, Economics Discipline Report	MA, Urban and Environmental Policy and Planning Certificate in Water: Systems, Science, and Society HBS, Environmental Economics, Policy, and Management; HBS, Geography	16
Susan Hayman, Ross Strategic	Community Sounding Board and public meeting facilitator; strategic community engagement	Certified Professional Facilitator (CPF) BS Natural Resources Mgt, Washington State University	30
Nicole Lobodzinski, EnviroIssues	Stakeholder Engagement Support	BA, Environmental Studies and Spanish	7
Cole Laush, Heffron Transportation, Inc.	Co-Author, Transportation Discipline Report	BA, Community, Environment & Planning, Transportation and Sustainability Minors in Ecological Design and Urban Design and Planning	5

Name/Affiliation	Project Role	Education	Years of Relevant Experience
Jennifer Barnes, PE, Heffron Transportation, Inc. (formerly)	Co-Lead Author, Transportation Discipline Report	MS, Civil Engineering – Transportation BS, Civil Engineering	30
Marni Heffron, PE, PTOE, Heffron Transportation, Inc.	Co-Lead Author, Transportation Discipline Report	BS, Civil Engineering	35
Eric Albright, Ramboll US Corporation	Co-Author Air Quality and Odor Discipline Report	MSE, Civil/Environmental Engineering MS, Mechanical Engineering BS, Mechanical Engineering	24
Kathryn Paige Baker, Ramboll US Corporation	Co-Author Air Quality and Odor Discipline Report	BS, Environmental Engineering	3
Lanka DeSilva, Ramboll US Corporation	Co-Author, Air Quality and Odor Discipline Report	MS, Environmental Engineering BS, Civil, Construction & Environmental Engineering	9
Katie Pratt, Northwest Vernacular	Co-Author, Cultural Resources Discipline Report	MS, Historic Preservation BA, History	12
Spencer Howard, Northwest Vernacular	Co-Lead, Cultural Resources Discipline Report	MS, Historic Preservation and Conservation BA, German Language and Literature BA, Spanish Language and Literature	19
